DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 1 - 15 are allowable over the Prior Art of Record because it fails to teach or suggest a touch probe including a mechanical transmission device adapted for transmitting displacements of the movable arm set to the movable contact, the mechanical transmission device further including an elongate mechanical body located between the movable arm-set and the movable contact, arranged and movable substantially along a longitudinal direction, and guide elements for cooperating the elongate mechanical body, characterized in that the guide elements with substantially longitudinal guide surfaces integral with said housing and an elastic thrust element adapted for urging the elongate mechanical body against said guide surfaces in combination with the remaining limitations of the claims.
 - b. Claims 16 - 17 are allowable over the Prior Art of Record because it fails to teach or suggest a touch probe comprising a mechanical transmission device for transmitting displacements of the movable arm set to the movable contact, the mechanical transmission device including an elongate body between the movable arm-set and the

movable contact, and an elastic thrust element for urging the elongate body against a guide surface in combination with the remaining limitations of the claims.

c. Claims 18 - 20 are allowable over the Prior Art of Record because it fails to teach or suggest a touch probe comprising a mechanical transmission device for transmitting displacements of the movable arm set to the movable contact, the mechanical transmission device including an elongate body between the movable arm-set and the movable contact, and at least a pair of guide surfaces for cooperating with the elongate body in combination with the remaining limitations of the claims.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yaritza Guadalupe McCall whose telephone number is (571)272-2244. The examiner can normally be reached on 8:00 AM - 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diego F.F. Gutierrez can be reached on (571) 272-2245. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
